DEFER PAYMENT FOR DINING MEMBERSHIPS

If you are receiving financial aid, you may be able to dine now or buy your books today - and pay later. You may qualify to defer payment of your dining membership or Owl Bucks account if the expected amount of your financial aid award is sufficient to cover your membership after all other expenses, such as tuition, housing, etc., have been paid. Stop in to the Business Services Office for details and an application.

WHAT ARE OWL BUCKS?

The Owl Bucks account is a pre-paid, declining balance account designed to make purchases convenient, safe, and quick. It's a great way to budget for school or save yourself from losing your wallet.
